WORK EXPERIENCE

Frontend Developer Intern

Sept 2023 — Jan 2024

Target Technology

Kolkata, West Bengal

- I leveraged **React**, **Tailwind CSS**, and **JavaScript** skills to craft visually appealing and responsive web interfaces.
- Collaborated closely with teams, translating designs into seamless user experiences. Optimized website performance for diverse platforms, enhancing project efficiency.

Full Stack Developer Intern

July 2023 — August 2023

INFOTRIXS

Maharashtra

- Built a fitness tracker with a dynamic team using **React** and **Tailwind CSS**. Collaborated closely, honed problem-solving skills, and thrived in an agile environment.
- Gained hands-on experience in full-stack development, fostering a passion for innovative solutions. Grateful to INFOTRIXS for the invaluable mentorship. Excited to apply my skills to future projects.

Letter of Recommendation

- You can access my Letter of Recommendation through the following link: [Google Drive Link](#).

Completion Certificate

- My completion certificate can be found at: [Google Drive Link](#).

Web Developer Intern

Aug 2022 — Aug 2022

Bharat Intern

Madhya Pradesh

- As a Web Developer Intern at Bharat Intern, I had the opportunity to work on exciting projects, including the development of a Netflix clone using **Tailwind CSS** and **JavaScript**. I collaborated with a talented team to bring this project to life, applying my skills in web development to create an engaging and user-friendly platform.
- This internship not only enhanced my technical abilities but also provided valuable insights into teamwork and project management. I'm grateful for the experience and look forward to applying my expertise to future endeavors.

Completion Certificate

- My completion certificate can be found at: [Google Drive Link](#).

PROJECTS

Contact Book

Dec 2023 — Jan 2024

- Developed a dynamic Contact Book using **React.js**, implementing **CRUD operations** for seamless contact management.
- Styled the application with **Tailwind CSS**, ensuring a modern and visually appealing user interface with efficient customization.
- Integrated **Firebase** for real-time database functionality, enabling responsive data updates across devices in the Contact Book.

BookWorld

Feb 2024

- Implemented secure **Firebase** authentication for email/password and Google sign-in. Ensured responsiveness with **Tailwind CSS**.
- Developed a responsive cart using **React.js** state management. Enabled smooth operations and an appealing design with Tailwind CSS.
- Utilized Firestore for efficient book data storage. Integrated Cloud Functions for secure payments. Hosted optimized and responsive book images using Firebase Storage and Tailwind CSS.
